Dear Parent/Carer,

Yesterday the First Minister announced that schools will return on the 11th August, if the science indicates that it is safe to do so. She was quite clear that this will not be the same as pre-lockdown and will involve a blended approach of children in school and home learning. As I'm sure you can imagine, the planning for what this will look like across Dumfries and Galloway has begun. Over the coming days I have meetings with the Local Authority and then we will begin to plan for a return to Moffat Academy and Beattock Primary School. I will share information with you on what that return looks like as soon as I am able to. In the meantime, please stay safe and take care.

Yours sincerely

Mrs A Macfarlane
