

SPEECH AND LANGUAGE THERAPY for Children and Young

For
over 3s

Speech Sounds Drop-In

Our Speech Sounds sessions give you an opportunity to talk with a therapist to discuss your child's speech sound development and things you can do to help them at home. They are aimed at children who are **over 3 years** of age and are ready to practice new speech sounds.

You can book into one of our sessions if you:

- Are concerned about the sounds your child can say.
- Are concerned about how clear your child's words are.
- Want to check if your child's speech sound development is typical for their age.

We are offering telephone or video appointments on the following dates:

Tuesday Afternoons Between 1.30pm—4.00pm

June— 30th June 2020

July —7th July and 28th July 2020

August—25th August 2020

September—1st September and 29th September 2020

October—6th October and 27th October 2020

November—3rd November and 24th November 2020

December—1st December 2020

To book a slot please phone or email us

01387 244530

or

dumf-uhb.sltkids@nhs.net

Video appointments will be on **NHS Near Me** a safe, secure video call system. You will be sent a flyer about how to do this.

What will happen during the telephone or video call?

- ✓ If you choose a telephone appointment a therapist will call you at the time you chose. The call can last up to 30 minutes.
- ✓ If you choose a video appointment the flyer we send will tell you how to log in and the therapist will collect you from a virtual waiting room at the time you chose. The call can last 30 minutes.
- ✓ You will be asked some questions about your child's talking skills.
- ✓ A therapist will talk to you about your concerns and what you have noticed at home.
- ✓ We will offer to check your child's speech sounds and provide advice and activities.
- ✓ We might show your child some pictures and them to tell us what they are —this helps us to hear your child's speech.
- ✓ We will discuss and agree with you the next steps for your child.

It might be helpful to have your child's red book with you during the call.
